Press Release...for immediate release

Insureyourmotor.com let off some steam this Christmas

Chertsey railway station had an unusual visitor today in the form of the from Insureyourmotor.com is fast becoming the UK's number one insurance bureau for young drivers with high performance motorcars. Currently quoting for approximately 80,000 young drivers every month, the company have risen in just 3 years of trading to become one of the UK's most successful fast track stars.

Insureyourmotor.com are a young and innovative team headed up by Founder and Managing Director David Harlow, who comments:

“Having worked in the insurance business for many years it became abundantly apparent that the majority of business was conducted over the telephone and if an increase in sales was achieved over a period of time, then the number of employees must also be increased to deal with the enquiries. By creating an online service, people can now go online and get themselves a quote almost immediately with little fuss and less need for expensive staffing costs which ultimately push the price of the quote up.”

CamWalker Communications have been appointed to communicate to the media some of the innovative schemes that the company have implemented over recent months. Also to promote www.insureyourmotor.com as a leading brand and David Harlow as a leading industry commentator on all motor insurance and related issues.
