- You must inform us without delay of any changes in your situation, including any named drivers. In the event of a claim, you must notify us as soon as possible.

- Looking after the car - you need to make sure that the car is road worthy and safe to drive at all times. You must protect the car and its accessories from being stolen or damaged.
- You must meet the terms of any endorsements. Endorsements are additional terms that apply to your policy, you'll find details on your policy schedule.

When and how do I pay?

Please refer to your insurance adviser for details.

When does the cover start and end?

Please check your most recent schedule for your cover start and end date.

How do I cancel the contract?

You're able to cancel your policy at any time. To do so, you need to get in contact with the insurance adviser who sold you the policy. Your adviser may charge you for this. How much money you get back will depend on how long you've had the policy for, and whether a claim has been or may need to be made on your policy.

Cancelling before the policy starts

If you cancel the policy before the start date, we'll refund you your entire premium.

Cancelling after the start of the policy

If you cancel after the start date of your policy we'll refund you for the time that is left on the policy, as long as you haven't made a claim, don't need to make a claim, or haven't had a claim made against you. You will not be entitled to any refund if a claim has been made on the policy
